

Dear Friends:

It is my hope that you are as excited about attending the Hershey Rotary Institute as I am. One of the convener's responsibilities is to choose a site for the Institute. There were several reasons I chose Hershey.

The Hershey Lodge is a comfortable venue where friends can come to relax and to share fellowship and insights with other Rotary leaders. The informality of the site together with excellent accommodations are a good value. There is also plenty of room and the space chosen for the House of Friendship is the best we have ever had.

Founded by Milton Hershey, the town of Hershey is a model for what Rotary is all about. The profit earned by the Hershey Lodge and all of Hershey Entertainment and Resorts properties continues to benefit needy children and other Hershey charities.

Local Rotarians led by General Chair Allen Smith and Promotions Chair Tom Davis, and 2006-2007 District Governor Janice Black all indicated their strong desire to welcome all of us to the district and to Hershey.

It is terrific that we will also get a chance to visit with RI President Bill and Lorna Boyd and the Chairman of the Rotary Foundation Luis Vicente Giay and Celia Giay.

Most important is that you will be there.

All this and chocolate too! See you all in Hershey. - [All the best, Mike](#) (if it's underlined click for ???)
